

balans[®] SitUP

The best working position
is to be balanced - in the
centre of your own gravity!

MO SitUp
the chair developed for
Medicin and Dentistry

mo SitUP

in cooperation with Balans[®]

We make chairs for balanced sitting
since 1976

dynamic seating system[™]

balans[®] seat protected by patent

A new chair with our patented[®]
"balans seat" is developed with the main
 focus being on the human anatomy.
 A dynamic sitting position with the upper
 body in natural balance.
 Good comfort with an open hip angle
 without sliding forward.
 No pressure under the thighs which will
 enable good circulation.
